

October 5, 2009

Dear Directors:

Thank you for choosing to participate in Downers Grove South's 8th Annual Marching Mustang Music Bowl, Saturday, October 17, 2009. On Event Day, please register as soon as you arrive. Upon registration you will receive a final packet including wristbands for your pit and prop crews as you designated in our previous communication. Further arrival instructions are covered under Answers to Frequently Asked Questions (FAQ's).

The line-up and other times listed below are covered in the Band Staging and Pit Staging Schedules that are included on this webpage:

- The Meet Host column indicates the time we ask for your Band and Pit to arrive at the Registration Table (**each has a different time**) where you will be met by your Host who will escort you through warm-ups and right up to the Stadium Gate.
- Scheduled performance times
- Band and pit warm-up times and staging schedules

We have also included on the webpage:

- Answers to Bowl FAQ's 2009.
- Music Bowl DVD order form (to provide to families wishing to order DVDs)

We are currently working on a labeled map indicating warm up/performance fields and parking and will let you know when it's completed. However, you can also click on a link to a Google aerial map of our school (link also at www.dgsmusicbowl.com)

For your convenience, we are arranging for instant repairs by Band Source. They will be set up in the hallway outside the cafeteria.

Thank you again for participating in our Marching Mustang Music Bowl. Should you need to contact someone on Event Day, please contact Lynn Filla-Clark, or myself.

Have a great time and good luck to all!
