

## Spring is coming, and so is our Annual Plant Sale

This year's Annual Plant Sale has officially begun! Order Forms, Sales Information, and full Plant Descriptions with pictures are now available on the Band Boosters website at <http://www.mustangbandboosters.com/plants>.

The sale is open to all students in the Band, Choir and Orchestra Programs. This is an important fundraiser for the Band Boosters and a great way to build the balance in your Student Account. For all students, 50% of the profit is credited directly to the seller's Student Account and the other 50% goes to the Mustang Band Boosters' General Fund.

This year orders are due on **Friday April 9th**, giving you time to sell through Spring Break and Easter. Plants will be available for pick-up at DGS on **Saturday May 1st**, the week before Mother's Day. Take advantage of any warm weather before then by selling to your relatives, friends, neighbors, teachers, co-workers, etc. Remember to mention that we will hold all checks until April 9th, so it's OK to get your order in early. It also helps to offer to deliver the plants to the people who buy them from you.

Once again we're offering your favorite annual flower flats, geraniums, wave petunias and more, all at the same prices as last year! Our selections include some new colors, and a few new plants offered for the first time. **And we're happy to include many new flower and color combinations in our very popular Hanging Basket and Patio Pot arrangements.**

If you have any questions, please feel free to call us at the numbers listed below or email us at [Gen-Plants@MustangBandBoosters.com](mailto:Gen-Plants@MustangBandBoosters.com)
