Students from the DGS Band, Choir and Orchestra Programs will earn approximately 17.5% of sales as a direct credit to their student account, with the remaining profits going to the Mustang Band Boosters General Fund. Be sure to list the Student's Name (and check their fine arts program) on the form when collecting orders from relatives and neighbors to ensure credit is posted to the appropriate student account.

***Incoming Freshmen (Aug 2011) are also eligible for this fundraiser to jump-start your fundraising accounts!!  
Get orders from your neighbors and teachers!***

**Greenhouse General Information and Color Selection:**

Plants are provided by Peterman Greenhouses in Kalamazoo, Michigan. The Band Boosters have always been extremely pleased with the high quality of the plants and the care that is taken with their delivery. You won't find comparable quality in local stores. The hanging baskets are absolutely gorgeous -- they are delivered in full bloom, and make excellent Mother's Day presents for yourself or for someone special!

We cannot guarantee specific colors on hanging baskets, or on "Best Of Show Assortment" baskets and patio pots; however, the vendor will try to accommodate your request for color preference if available. Please specify any color preferences on your order sheet. e.g. "all pink", "no purple", etc.

If, at shipping time, the greenhouse determines that a specific variety does not meet their quality standards, they will notify us and we will contact you for an alternate choice. Be sure to provide an e-mail address and best phone number in your customer info. We'll use it ONLY to contact you for order confirmation and Plant Sale pickup reminders.
